

CHIEF CHAIR GUIDE

Mission Critical. Mission Comfortable.

At Winsted we understand that Mission Critical Control Rooms are high-stress environments, and those standing watch work long shifts to support the mission. That's why the right chair is a critical part of the operator's environment. Chairs built and warranted for 24/7 intensive use with heavy-duty steel base construction and all the key ergonomic adjustments.

The Chief is a heavy-duty 24/7 use task chair. This roomy chair is ideal when you don't want a headrest or for critical meeting and war rooms. This chair features an all-steel frame, air suspension seat, adjustable armrests, and a full host of ergonomic adjustments. *Also available in wide width.
