

# CREW CHAIR GUIDE

## Mission Critical. Mission Comfortable.

At Winsted we understand that Mission Critical Control Rooms are high-stress environments, and those standing watch work long shifts to support the mission. That's why the right chair is a critical part of the operator's environment. Chairs built and warranted for 24/7 intensive use with heavy-duty steel base construction and all the key ergonomic adjustments.

**Steelcase**

The Crew is a standard office chair that is a suitable for office and conference room environments. This chair features a weight-activated mechanism to auto adjust the recline tension allowing anyone to get comfortable quickly. There is also a tension boost setting to add 20% more tension.
